

UK Returns Procedure Guide

For items purchased, we are happy to refund any item if you change your mind. Due to current COVID-19 pandemic our usual 14-day return policy has been extended to 21 days upon receipt of the goods.

Please ensure that all tags and labels are attached and intact. Visit our website to view our full Returns policy. Your statutory rights are unaffected.

When you return goods, the credit adjustment will be made to your original payment method. This refund will occur within 7-14 days of receipt of the returned parcel.

Unfortunately, at the current time, we do not offer an exchange service. Please return the original size for a refund and replace your order online for the new size.

To return an item using Royal Mail Free Returns - UK only:

Place your completed Return Form inside your parcel and attach the prepaid postage label enclosed ensuring that the original delivery label is covered (if original packaging is returned). Please ask for a receipt so that you have proof of postage. This receipt should be retained until you have received your refund as it contains the tracking details of your returned order.

If the weight is over the maximum of 5kg, please contact our Customer Care Department on 01279 432078 for assistance.

To return an item to a Zee & Co Store:

We are sorry to say that unfortunately, due to COVID-19 and the closure of all retail high street stores, this option is currently not available.

We are following strict Government advice and this service will re-commence once our stores are back open.

PLEASE COMPLETE AND RETURN WITH YOUR ORDER:

Order No: _____
